Q4ATTRO minimal

MINIMAL evolves and becomes part of Q4ATTRO. We leave the textured paper behind us and adopt the finishes of the entire collection: print on cotton canvas or on photo paper with glass, frames in black, white, aluminium, oak and walnut. A single system for production and customization across the entire catalog.

MINIMAL keeps what makes the collection unmistakable: compositions conceived as diptychs and triptychs in an abstract, minimalist design with essential forms, reduced colour palettes and calm surfaces. Works that are in dialogue with each other and work as a whole, created to give a wall presence without overloading it.

The same aesthetic coherence, now with all the versatility of Q4ATTRO.
